OUR VISION

"Transforming lives through education, empowerment, and sustainable community development."

OUR MISSION

To uplift the lives of underprivileged communities through education, healthcare, and empowerment.

To foster women empowerment by introducing innovative and impactful schemes.

To ensure access to basic facilities like medical care, clean water, and transportation in underserved areas.

WORKING VERTICAL

"Empowering every child through education, health, expression, and holistic skill development for a brighter future."

EDUCATION

To uplift the lives of underprivileged communities through education, healthcare, and empowerment.

HYGIENE & NUTRITION

Improving access to essential nutrition, hygiene, and healthcare.

CHILD PARTICIPATION

Creating platforms where children's voices are heard, valued, and respected.

Skill & Personality Development

Building confidence and life skills through creative, social, and emotional learning.

WORKING VERTICLES

"Enabling women to achieve independence and confidence through education, awareness, and sustainable livelihood opportunities."

Economic Independence

Empowering women through skill development, employment, and entrepreneurship opportunities.

EDUCATION & AWARENESS

Promoting education, rights awareness, and leadership to build confident and informed women.

Projects

Project Pahal

Objective: To provide comprehensive educational support to children in underprivileged areas.

Key Activities:

1. Identifying and appointing local SPOCs (Single Point of Contact) in bastis and villages.
2. Setting up independent educational units in targeted areas.
3. Providing books, stationery, and study materials to children.
4. Organizing weekly educational workshops and mentoring sessions.
5. Conducting awareness campaigns for parents about the importance of education.
6. Regular monitoring and evaluation of educational outcomes through SPOCs.

PAHAL - GALLERY

Project UDAAN

Objective: To collaborate with local NGOs, orphanages, old age homes, and other institutions to expand the scope of impact.

Key Activities:

1. Mapping and connecting with local NGOs, orphanages, and old age homes in Udaipur.
2. Conducting need assessment surveys to identify areas of intervention.
3. Organizing joint events and drives like health check-ups, food distribution, or cultural activities.
4. Providing volunteer support to partner organizations for various initiatives.
5. Creating a resource-sharing network among collaborating institutions.
6. Documenting success stories and sharing best practices for better collaboration.

UDAAN - GALLERY

Project Shakti

Objective: To empower women by introducing new schemes and promoting self-reliance.

Key Activities:

1. Conducting skill development workshops like tailoring, handicrafts, or digital literacy.
2. Setting up micro-finance or small business support schemes for women entrepreneurs.
3. Organizing health awareness and wellness camps specifically for women.
4. Providing legal literacy sessions on women's rights and self-defense workshops.
5. Identifying and supporting women leaders in communities to drive empowerment efforts.
6. Collaborating with government schemes and organizations to amplify impact.

Project PRAYAAS

Objective: To foster holistic development in bastis and villages by addressing key infrastructural needs.

Key Activities:

1. Setting up mobile medical camps to provide basic healthcare.
2. Improving vehicle accessibility through transportation initiatives.
3. Ensuring sources of water availability by installing handpumps, tanks, or pipelines.
4. Organizing community cleanliness and hygiene drives.
5. Establishing lighting solutions for energy-deprived areas.
6. Partnering with local authorities to advocate for improved infrastructure and resources.
